## Public Transportation

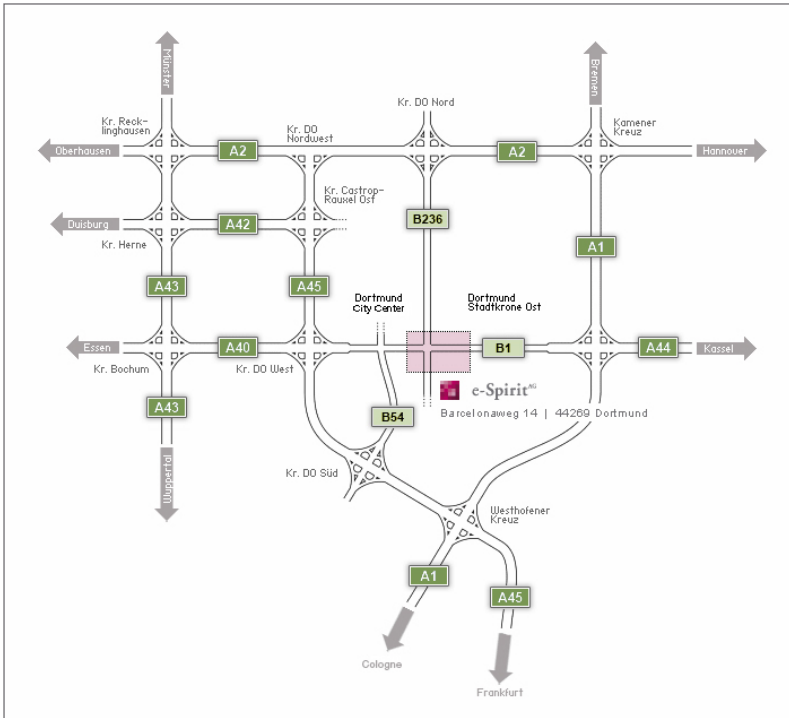

If you are arriving by train at Dortmund central station ("Hauptbahnhof"), we suggest taking the subway (U-Bahn) U47 towards "Aplerbeck" and exit at "Stadtkrone Ost" (approx. 15 minutes' drive). At "Stadtkrone Ost", walk over the bridge to the right and then straight on until you reach the street "Stockholmer Allee". Turn left into Stockholmer Allee and then right to reach Barcelonaweg. You will find our headquarters at the end of the street. This will be a 5 minute walk. You can also take a taxi from the central station, which will be a 15 minute drive.

If you arrive via plane at Dortmund airport, we recommend taking a taxi to Barcelonaweg, which will be a 10-15 minute drive.
